This Chapter shall be known as the Santa Barbara Essential Local Services Tax Act.

4.15.020 Declaration of Findings.

A. The City's revenues are insufficient to fully provide general municipal services and facilities, including maintaining 9-1-1 emergency fire, paramedic, and police response, keeping neighborhood fire stations open, improving housing affordability, addressing homelessness, keeping public area and parks safe and clean, maintaining library services, stormwater protection, improving natural disaster preparedness, retaining local businesses and jobs, and other general governmental uses at the level that is necessary or desirable.

B. The funding made available by this chapter, together with other available revenues, will enable the City to provide essential local services as described in subsection A, including contributing to the Local Housing Trust Fund, meeting budgeted operating expenses, acquiring necessary supplies, equipment, and materials, and maintaining and repairing City buildings, facilities, parks, and other property.

C. The proceeds of the taxes imposed by this chapter may be used for any lawful purpose of the City, as authorized by ordinance, resolution, or action of the City Council or by ordinance adopted by the electorate of the City.

4.15.030 Purposes.

This Chapter is adopted to achieve the following, among other purposes, and directs that the provisions hereof be interpreted in order to accomplish those purposes:

1. To impose a retail transaction and use tax in accordance with the provisions of Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Section 7285.9 of Part 1.7 of Division 2.

2. To adopt a retail transaction and use tax ordinance that incorporates provisions identical to those of the Sales and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.

3. To adopt a retail transaction and use tax ordinance that imposes a tax and provides a measure therefore that can be administered and collected by the California Department of Tax and Fee Administration in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the Department in administering and collecting the California State Sales and Use Taxes.

4. To adopt a retail transaction and use tax ordinance that can be administered in a manner that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same time, minimize the burden of recordkeeping upon persons subject to taxation under the provisions of this Chapter.

4.15.040 Contract with State.

Before the operative date of this Chapter, the City will contract with the Board to perform all functions incident to the administration and operation of this chapter; provided, that if the City shall not have contracted with the Board before the operative date, it shall nevertheless so contract and in such a case the operative date shall be the first day of the first calendar quarter following the execution of such a contract. The City Finance Director is authorized to execute contracts under this section.

4.15.050 Transactions Tax Rate.

For the privilege of selling tangible personal property at retail, a tax is hereby imposed upon all retailers in the incorporated territory of the City at the rate of one-half percent of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in said territory on and after the operative date of this chapter. The tax imposed by this section is additional to the tax imposed under Chapter 4.14 of this Code.

4.15.060 Place of Sale.

For the purposes of this Chapter, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his/her agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the state sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the State or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the State Board of Equalization.

4.15.070 Use Tax Rate.

An excise tax is hereby imposed on the storage, use or other consumption in the City of tangible personal property purchased from any retailer on and after the operative date of this chapter for storage, use or other consumption in said territory at the rate of one-half percent of the sales price of the property. The sales price shall include delivery charges when such charges are subject to state sales or use tax regardless of the place to which delivery is made.

4.15.080 Adoption of Provisions of State Law.

A. Except as otherwise provided in this chapter and except insofar as they are inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, all the provisions of Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code are hereby adopted and made a part of this chapter as though fully set forth herein, except as otherwise provided in Subsection B.

B. Wherever the State of California is named or referred to as the taxing agency, the name of this City shall be substituted, therefore. However, the substitution shall not be made when:

1. The word "State" is used as a part of the title of the State Controller, State Treasurer, State Board of Control, State Board of Equalization, State Treasury, or the Constitution of the State of California.

2. The result of that substitution would require action to be taken by or against this City or any agency, officer, or employee thereof rather than by or against the Board, or other agency or department of the State, in performing the functions incident to the administration or operation of this Chapter.

3. In those sections including but not necessarily limited to sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to:

a. Provide an exemption from this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not otherwise be exempt from this tax while such sales, storage, use or other consumption remain subject to tax by the State under the provisions of Part 1 of Division 2 of the Revenue and Taxation Code; or

b. Impose this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not be subject to tax by the state under the said provision of that code.

4. In Sections 6701, 6702 (except in the last sentence thereof), 6711, 6715, 6737, 6797, or 6828 of the Revenue and Taxation Code.
